

LOCKSMITH SECURITY ASSOCIATION *of MICHIGAN*

Associate Membership Application

www.LSAmichigan.org

At the LSA, we strive to provide the best to our members and due in part to our Associate Members, we are able to achieve those goals. Many of you have already been active in the support of the LSA, and it is greatly appreciated. Still others have thought about it from time to time, yet have not taken the formal step. It is our desire to streamline the process, thus we invite you to complete the form below and send it back to us. We would love to include your company as part of our LSA supporters.

If you have any questions about the benefits of your LSA Associate Membership, do not hesitate to personally call me. I would love to discuss details about the partnership and answer any of your questions.

Thank you in advance.

John Hubel, CML, Member Relations LSA.

Brief description of service offerings:	

I understand in return for becoming an Associate Member of the LSA our company information will be listed in the monthly LSA Reporter, and recognized at events, classes, and pre-meeting dinners as appropriate. Our company will commit to provide, as able, other support to the LSA with occasional items for the meeting drawings or other special events.

Company Representative

Date:

The recommended annual Associate Membership is \$150.00*. Please send your Associate Membership application to: Locksmith Security Association, 24711 Harper Ave. Saint Clair Shores, MI. All checks should be made payable to the **Locksmith Security Association**. For details or more information, call: 586-254-7233 or Email John.Hubel@LSAmichigan.org.
